

### **The Team Illinois and CYA '98s Give Back this Holiday Season**

'Tis the season of giving! And in the true spirit of the holidays, the Team Illinois and Chicago Young American '98 teams joined forces to give back this year by supporting the "Toys for Tots" organization. Coaches, players, families and friends were invited to bring unwrapped toys to donate during their December 18th league game. Between the two teams, the boys successfully collected 52 new toys to be shared with the kids this holiday season. Way to go TI and CYA!
