

Team Illinois 97 is Skating for a CURE for juvenile diabetes on August 21st at the Leafs Ice Centre. The boys will solicit donations based on how many laps they can skate in one hour. All of the money raised will go straight to JDRF (Juvenile Diabetes Research Foundation) and will go towards helping to find a cure for diabetes as well as helping people treat and minimize the complications of the disease. The kids will also be at the Leafs Ice Center during the open skate on the 21st accepting on the spot donations.
